

Recovery conversation café

Identifying key participants

Use this table to help you identify who you need to involve and how you intend to ensure they are able to participate.

Who to involve	People with lived experience	Family/carers	Frontline staff	Decision makers	Notes
How					
Where can we make contact with people? The groups, organisation and communities people are members of					
What medium can we use to invite people to participate e.g. letters, newsletters, emails, posters, social media					
What are the barriers to engagement and how we can overcome them?
